Marcus Catton Fast Amassing Billiard Fame

The "I-Knew-Him-When" club will ow get busy and point with pride to Murcus Catton

You all remember Marcus-that tall, slim guy that used to poke the One Full Game With Sco. hits of balls about on the green tables here. Well, he's now so great that the billiard table makers send his

name out with their press stuff. Catton is now engaged in touring the country with young Jake Schaeffer. It's a case of two chips off two biame good old blocks. The names of Schaeffer and Catton, already famows in billiard circles, are being added to with eclat by the rising genera tions. A recent issue of a Chicago paper says of Marcust

'Marcus Catton has been playing some remarkable billiards, and it begins to look as if some day he will be as skilful as his famous father."
